## Board Musings

By Rich Armando

Our first cruise night has come and gone. The weather was perfect for the month April. There was a great turnout for both cars and spectators. From setup to breakdown things went pretty smooth, especially with this being the first one of the season. Once again the food pantry did extremely well with a van full of food along with the cash donations adding up to \$2,545.00. Great job by all members who showed up ready to work. As I walked through the parking lots I was greeted with, "this is great", "it's good to be back," "great job". I hope you all value these compliments as much as I do. They never get old and it's a testimony to the Mass Cruisers for a job well done.

Thanks to John Buchanan for arranging Ben Resnikoff of Abe's garage in Brockton for being April's guest speaker. Ben and his brother Ted are co-owners of a business with an interesting concept for car collectors who do not have the area to work on their cars, or have the tools required, or even an area for winter storage. Ben explained what options they offer for collectors needing these kinds of services. See Page 5 of this newsletter for John's report and pictures. Another thanks goes out to John Ricker who recommended Fred Tierney meet with Ben to learn more about Abe's Garage and to invite them on board as a new major sponsor of our Bass Pro Shop cruises.

Members have said they would like to be an active club and do things with their cars. You now have a chance to do exactly that. All you have to do is come up with an idea where we can cruise to. We could forgo our regular monthly meetings in order for us to cruise to a destination on the third Tuesday of the month. If what you have in mind falls on any other night of the week there is no reason that it couldn't be done. It just has to be planned out. Let me know what you have in mind so we can make it happen.

If you regularly attend the monthly meetings, I sent an email asking your opinion on several things. One is with the Bass Pro Shops now operating on their summer hours and close at 9 PM, whether you would prefer keeping the start of the meetings at 6 PM or would you prefer an hour later start at 7 PM. The other was, what you would like to see at our meetings that would make them more interesting and would entice you to attend? Please email me or any other board member with your ideas.

I wish Diane Thornton a speedy recovery with her two broken wrists. I know she no longer wanted the secretary's job but she didn't have to go to that extreme. Hope you're doing better today than yesterday.

## Editor's Musing

By John Buchanan EDITORIAL

Wow, who could have predicted 80 degree weather for the early April opening cruises around these parts. The Wheels of Time car club were the lucky benefactors for their Thursday April 13 cruise at Brewster Ambulance lots on Rte. 28 in Brockton as well as the Hebert's Candy Mansion opening cruise on U.S. Route 20 in Shrewsbury when the thermometer hit a record temperatures.

Unlike in past years, Mother Nature also dealt us a welcomed 2023 April 20 mild weather surprise for the start of our 12th year at Patriot Place for the Bass Pro Shops cruise.

But April weather can be finicky as it was on the weekends with the Rebels & Rods having to cancel their popular Sunday morning cruise-ins at the East Bay Grill in Plymouth being dealt rain-outs for the entire month.

Despite this unpredictable nature of New England's April weather, there were plenty of great opportunities to get out and road test our cars and enjoy our hobby. One such opportunity was the Mohawk Trail Run organized by a newly formed Facebook group called "Live Free And Drive" which I feature on page 9 of this newsletter. An old dog also learned a new trick on this run. Many in the group of 90 cars participating in the Mohawk Trail Run used a push-to-talk walkie-talkie app on their smart phones called Zello to communicate with one another. It wasn't perfect due to cell transmission drops when deep into the Berkshires, but it is another example of how fast our communication technology has evolved to our benefit.

# 35<sup>th</sup> Annual Ty-Rods Stafford Speedway Auto Swap Meet

By John Buchanan

It was chilly and windy on Sunday morning April 2<sup>nd</sup> for the Ty-Rods 35<sup>th</sup> Annual Spring, rain-or-shine, weekend Auto Swap Meet at the Stafford Motor Speedway. This is a large swap meet covering the entire half mile track and infield as well as the surrounding fenced-in concourse areas surrounding the track. There were enough open vendor spots to give me the impression that with Saturday's rainy day opening followed by the early Sunday morning chill, some potential sellers may have preferred to either stay home in their warm beds or attend as buyers. My favorite for the take-me-home FOR SALE driver was a nearly finished red 1955 Willys Jeep 4WD pickup truck with a \$10.5K price tag. Good thing I have no available garage space.

MY PICK OF THE SWAP

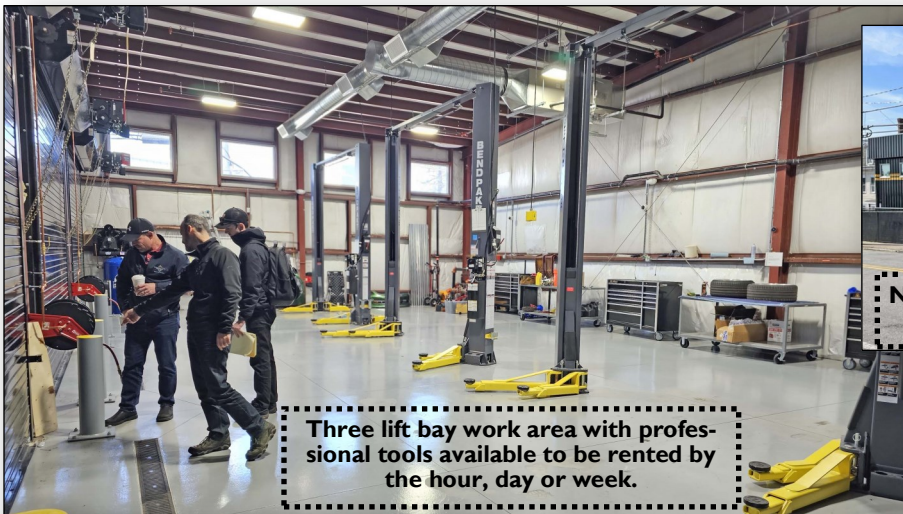

## April 18 Guest Speaker: Abe's Garage

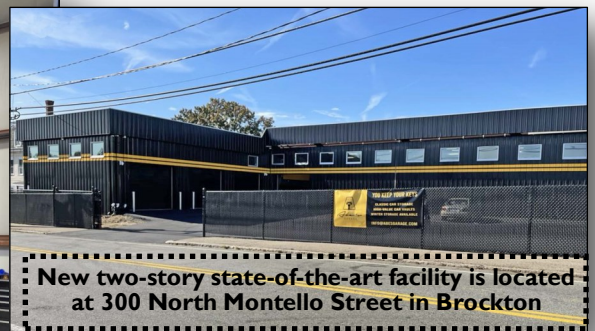

By John Buchanan

Continuing with our monthly meeting Guest Speaker series, our newest Bass Pro Shops major sponsor, Ben Resnikoff, Abe's Garage co-owner with his brother Ted, attended our April 18 monthly meeting held in the Bass Pro Shops to tell us about their new concept in providing a profession garage space where you are the mechanic on your own collector car. Their climate controlled 20,000 sq. ft. state of the art professional garage located at 300 North Montello St. in Brockton was opened for business in October 2021 providing rental space where an auto enthusiast can get the most from the hobby with 24 hour 7 day week access to their car. The facility utilizes real-time video surveillance along with biometric security. They have three professional lifts with master mechanic toolsets in oversized work bays that can be rented by the hour, day or week to work on your vehicle. The two level facility can also accommodate up to 60 separate work and storage spaces available to rent on a month-to-month, winter or year-round storage. There are seven types of membership that range from social, where you can just hang out, to also attend events and classes and have access to their lifts and tools, to secured vault storage with work space. Ben shared how he and his brother's bad experience storing and working with their own project vehicles led to creating this unique facility that is tribute, named for their grandfather Abe who was in charge of the military motor pool on Bermuda during WW-II. [\(318\) Now Open: Abe's Garage in Brockton, MA - YouTube](#)

Three lift bay work area with professional tools available to be rented by the hour, day or week.

A couple of customer work bay projects underway include a total restoration and vehicle engine rebuild projects.

Another customer's project underway is a custom wrap

All interior doors are painted with different racing themed colors.

# 2023 Bass Pro April 20 Cruise Opener a Winner

By John Buchanan

This year's opening Thursday April 20 Bass Pro Shops Cruise at Patriot Place in Foxborough was a winner. Although we don't really track the number of show cars that attend, our estimate was well over a thousand vehicles of all types made it on a perfect weather day to come on over to share the excitement of finally getting out and about with our rides.

The Attleboro Hebron Food Pantry collected 12 boxes of non-perishable food while our front entrance team collected over \$2,500 which will be shared equally by the five participating food pantries that also include Wrentham, Walpole, Foxborough and Stoughton. The downside was 5 boxes of expired or damaged unusable food had to be trashed, something that we've got to do better by educating the donors. Our 2023 event Tee Shirts were a hot item and the 50-50 got an exciting boost with the generous donation by Patriot Place of a pair of tickets to both the Saturday May 6, 7:00 PM Monster Jam at Gillette Stadium as well the afternoon Monster Jam Pit Party. The good news is another pair of Monster Jam tickets will be awarded at the Thursday May 4 50-50. So, come on down, up or around to our Thursday May 4 and share in the excitement of cruising on historic U.S. Route 1 to the premier cruise in New England and listen to your favorite WOOD 1240/99.5 "Saturday Block Party" D.J. Cruisin Bruce Palmer play your favorites.

## April 20 Cruise Winner - 1955 Chrysler

By John Buchanan

It is rare to have a 95 plus point car drive into our cruise, and when one does, it is only fitting that it be recognized and featured for our cruiser award. John White, of Whitehall Auto Restoration & Sales in Hopkinton, drove his 1955 Chrysler New Yorker Deluxe Convertible to our April 20 Cruise despite running out of gas about a mile from his home. The history and back story of John's Chrysler is just as amazing as the fact that he will regularly take it out for long drives with his wife, which was why it was low on gas after a recent nice spring countryside cruise of three hours.

Special ordered originally by a doctor with the then new Chrysler 331 Hemi dual quad carbs & 300 HP drivetrain with 150 mph speedo and special suspension and one month only two-tone Black & Nugget Gold paint with St, Regis trim, he said he couldn't drive it so the dealer kept it in the showroom until it was later sold to someone in Arizona. Tom bought it in 2009 and originally wanted to repaint it, but being such a rare model his crew undertook an unauthorized total nut and bolt restoration while he was hospitalized. When finished, he brought it to the Hemmings Concours in Saratoga where it took Best of Show and then to Hershey where it won its 1st National Award in 2013. A good customer of his from Newfoundland saw it there and bought it. Tom's youngest son contacted that owner in 2020 and bought it for Tom's 80th birthday and he's been driving it ever since proving that old adage, "life's too short to drive boring cars". Congratulations Tom.

Some quick notes about Tom White's favorite car to drive. This 1955 Chrysler has the original convertible top and wire wheels. All replacement parts, down to the nuts and bolts, are OEM Chrysler. The unique Chryslermatic clock by Bulova in the steering column is wound when turning the steering wheel. Tom believes this is a one-off special build making it a rare find.

# StreetScene Magazine April Cover

by John Buchanan

Ever want to see your pride and joy pictured on the cover of a National publication like NSRA's StreetScene magazine? It's not always by chance and it can take quite a bit of effort to pull off that imagined ideal shot as fellow club member and Plymouth resident Glenn Brayman discovered when he finally arranged positioning his 1941 flamed custom Ford Coupe and 1931 Ford Victoria Street Rod with the Mayflower II in the background for this "StreetScene" April cover.

# “Live Free And Drive” Mohawk Trail Run

by John Buchanan

There's nothing like finding an April destination cruise being organized to get our rides out of winter hibernation and work out those kinks ahead of the coming cruise and car show season. Aaron Spenser's new Facebook Group "Live Free And Drive" planned out a Mohawk Trail Run on scenic Route 2 beginning in Lowell, through the Berkshires, to the famous "Hairpin Turn" and into North Adams for lunch. Open to all, two additional stops at the Lancaster Johnny Appleseed Visitor Center and the Big "Y" parking lot in Greenfield were added to allow anyone to meet and join the Run. About 90 cars including fellow club member Johnny Landry in his 2022 Mustang and me. Our first stop after Greenfield was the historic Hoosac Tunnel in Florida before heading to the famous "Hairpin Turn" in Clarksburg followed by lunch in North Adams. After lunch I drove back home while Johnny continued on with the Run participants in North Adams for a regrouping that ended at the Yankee Candle Village, before everyone headed back on Route 2, a great tankful day trip for all. Aaron's next "Live Free And Drive" planned event, for the group members only, is a Salisbury Seaside Cars n' Coffee on May 6 to get to know one another.

Stop 2 on the Mohawk Trail Run was the Johnny Appleseed Visitor Center in Lancaster.

Following the Greenfield stop #3, Johnny L. (left) and I paired up in a sub-group within the Run to enjoy the sights and sounds of the Hoosac Tunnel and Hairpin Turn below before heading into North Adams for lunch.
