Many other events are attended throughout the year. Examples include: Gathering of the Clubs; Ty-Rod Old-Timer's Meet; many Car Shows and Cruise Nights in the area supporting fellow car clubs' charitable efforts; as well as other trips, cruises, e-mail notification, monthly meetings and newsletter announcements. Spontaneous gatherings are also communicated to allow everyone an opportunity to participate to the level with which they are comfortable. Many of the above listed annual events are repeated each year, but Cruiser destination events may change to add variety from year to year.

Suggestions or ideas for new events and activities are encouraged and active participation by all members is appreciated.

Club Meetings, for members and their guests, are held the 3rd Tuesday of each month at the Bass Pro Shops Conservation Room in Foxboro. Speakers and club business are communicated. (During seasonal weather, the Member Meeting turns mobile with a local cruise destination.)

Every other Thursday starting in April, the Mass Cruisers sponsor a free cruise night at Patriot Place in Foxboro. Considered a local phenomenon due to the volume of 500-1800+ classic and special interest vehicles rolling in—it was featured on the Chronicle TV show in 2018. Charitable endeavors at these cruise nights benefit local food pantries, a Work Force Grants program to graduating students in the automotive trades of area Vocational/Technical schools, and select local charities.

The club posts its multiple Golden Quill Award winning monthly newsletter to our club website ([masscruisers.com](http://masscruisers.com)). The newsletter includes an update from the monthly business and members meetings, current Club activities and events, a listing of area Car Shows and Cruise Nights and provides technical information and member-contributed articles related to the automotive experience. A members telephone list is distributed, but primary contact is carried out through email. Mass Cruisers is also on Facebook.
