Board Musings

By Rich Armando

As we finished our first cruise night of the season the club did so with some pretty impressive numbers. I would guess there were probably in the vicinity of 500 to 600 cars that came and went thru out the night. That was a good number for this early in the season where a lot of fellow car enthusiasts have not yet taken their rides out of winter storage, and on a night where the weather wasn't the most favorable for a cruise night. It actually was a comfortable number of cars to handle for the first night which allowed us to knock off the rust that was accumulated over the winter. Just like what a preseason game is used for. Our 50/50 which will be used to support a charity of the club choice was on the light side but it still was not bad for the first night. The big numbers came from the food pantry volunteers. I was told that several trunk loads of donated food were carted away by the Wrentham food pantry along with healthy monetary donations that will be pooled for all five of the local participating food pantries to equally share. This is a great start to get our season off on the right foot. Reviewing these numbers almost makes you forget how windy, cold and miserable the night was. Almost! Thanks to everyone who showed up and worked.

At our April general meeting, if you did not attend, you missed a very informative presentation about special interest insurance made by fellow member Greg Pope of Pope Insurance. Greg answered many questions from members who were present. Some points that Greg talked about enlightened a lot of us who never gave any thought about how we should handle our own personal insurance needs. I use a golf cart at my summer home to drive around an association where I am a member. I have been told about being able to buy golf cart insurance which acts just like your automobile insurance. After a lot of phone calls, even to my own personal agent, no one could lead me in the right direction to purchase a policy. This didn't occur to me till after the meeting so I asked Greg after most everyone had left about this. Without hesitation he told me about two companies he deals with that would meet my needs. Thanks to Greg, after a phone call on Wednesday to one of the companies I was able to purchase a policy that fits my needs at a very reasonable cost. Here is why it's important to attend all meetings whenever we can have a guest speaker. They are intended to be entertaining and also provide something you can learn from. Not only is Greg a member he also has been a major sponsor for our Bass Pro Shops cruise nights for many years. Thank you Greg.

In closing, this past Saturday night if you were in attendance at our 31st Annual Anniversary celebration, you experienced another great Mass Cruisers event organized by Fred Tierney. The food was great and the show afterwards was excellent. What a high energy group of 70 year old rockers the John Cafferty and the Beaver Brown Band is. You were not short changed as they played for over two hours without a break. Thanks Fred for a job, well done.

Editor's Musing

By John Buchanan EDITORIAL

The 2022 CRUIZN season gets well underway in May and as always my head spins trying to keep current with weekly start dates, venue changes and any new cruises that have popped up. I rely mostly on flyers at the events I attend and some of the reliable websites that are regularly updated. Many of us have our favorite cruises to support and when they have to change their location it is a challenge for their club members to find a suitable host for their followers. Our Mass Cruisers Auto Club had the fortunate circumstance when one of our Foxboro resident club members had the foresight to stop in the newly opened Bass Pro Shops at Patriot Place to pitch the idea of hosting a cruise night there after we lost our Bickford's Restaurant host location in Sharon 14 years ago. Up until landing at Patriot Place, we were bouncing around from year-to-year trying to find a suitable cruise location so we understand the challenges faced by car clubs having to find another welcoming host for the cruising community in their area. Cruise nights offer inexpensive entertainment for families as well as providing economic visibility and benefits for the host businesses in addition to the local charities that are supported. To that end, we wish the **Wheels of Time Massachusetts** success at their new cruise location in **Brockton at Brewster Ambulance** and the **Bay State Street Machines** at their new cruise location in **Warren, R.I. at Lauren's Restaurant**.

2022 CRUISE SEASON BREEZY OPENER

By John Buchanan

Our Bass Pro Shops Cruise Season Thursday April 7 opener was canceled due to the 40 degree cold, windy conditions and rain to the north and west of Foxboro but, knowing the word would not get out to everyone, I drove to Patriot Place and parked in Lot 16 to pass out our new 20 page cruise flyers along with cancellation news. One couple drove 2 1/2 hours from Vermont and another hard core cruiser drove up from Falmouth on Cape Cod with his donated can of cream sweet corn for the food pantry. In all, there must have been 50 or so cars that drove in while I was there from 4–5 PM.

Fast forward to our April 21 cruise opener and it was much better weather with temp in the 50's and the sun breaking through the clouds from time to time, but the breeze at our Foxborough hilltop location where Gillette Stadium is perched was a challenge, particularly when approaching dusk. Still, the cruise was a huge success despite many that came earlier in the afternoon and leaving earlier due the uncomfortably cool conditions. Estimates range anywhere from 500–700 show cars attending. Our May 5th and 19th cruises should be more welcoming.

ANNUAL EARLY V8 CLUB SPRING TUNE-UP

By John Buchanan

Sunday April 24 was great for CRUIZN up to the Early V8 Club's Annual Spring Tune-up at the Fitchburg Airport, always an early shake-down cruise for car owners as well as stretching their legs to keep warm in the early morning spring chill off. It is also when the fly-in Wheels & Wings Spring Special event is held by the New England Wing of the Commemorative Air Force which sets up shop next the V8 Club's Flea Market. It was great to see many more flea market vendors set up this year competing for space with the show cars that park along the tarmac, probably a result of the demise of the Great Woods May Flea Market in Mansfield. There was plenty to see and shop for as well as getting some of our Bass Pro Shops cruise flyers into auto enthusiasts hands. Lots of pictures and less talk is in order here.

Continued on Page 7

All these models (left) were hand built custom designs from scratch, not from kits

No question about this vendor having used performance parts for sale

Pickers, young or old, are still called pickers.

1941 Reeser Sprint Car #91 HAL Special

ANNUAL EARLY V8 CLUB SPRING TUNE-UP

CONTINUED FROM Page 6

Well, this year's TUNE-UP was showing a great selection of vendors and plenty of show cars on the tarmac. Great show this year.

Lots of nice cars and trucks for sale along with plenty of petrobilia and performance parts.

Seeing the New England Wing of the Commemorative Air Force planes members' planes parked alongside the Early V8 Club's flea market and car show was an unexpected bonus at this year's tune-up.

MILE MARKER MEMORIES

by John Buchanan

Road trip memories have a beginning and an end as do those iconic Mile Marker signs that document that we were there. Typically there's nothing really scenic or memorable about most locations for these mile marker signs except it simply states we either started or ended our journey there and this is the evidence; case closed.

A little history is in order first. The use of highway mileage markers can be traced back to the Roman Empire when their roads were marked at periodic intervals primarily for military purposes throughout the Empire. The famous Appian Way is where the first milestones were erected before 250 BC. And the word mile is derived from the Latin *mila passum*, "one thousand paces", or 4,843 ft. The Brits retained the mile marker tradition after the fall of the Roman Empire but changed the length to 8 furlongs (660 ft.) to the mile and that followed the Brits to the Colonies. In the 1600s, the King's Highway was built to go from Boston, Massachusetts to Charleston, South Carolina. This highway is now the oldest road in continuous use in the nation. Although mostly missing along today's roads some of those Colonial era granite mile markers, are still in evidence along the old Post roads.

Many do not realize that Massachusetts hosts the starting points of three of the longest cross-country East-West highways, U.S. Routes 6 and 20 and I-90 as well as having the longest North-South highways, U.S. Route 1 & I-95, pass through our state. Those of us who have been fortunate to begin and end some of these bucket list road trips attempt to document them using today's Mile Marker signs to highlight these long distance adventures.

Milestone 8 on the Upper Post Road (now U.S. Route 20) in [Harvard Square](#), Cambridge

Granite Marker outside the Wayside Inn on U.S. Route 20

Nancy Bloom commemorated the U.S. Route 6 Provincetown END point in her 1956 Thunderbird. Note the 347 milage difference using today's Bishop California starting point

Diane Thornton commemorated this year's winter vacation to the Florida's Key West at the U.S. Route 1 0 MILE marker.

31st ANNUAL BANQUET

by John Buchanan

Fred Tierney, thankfully again, on Saturday April 23 arranged another successful annual club banquet commemorating our 31st year as the Mass Cruisers Auto Club. The evening started off with a delicious buffet at the Olde Colonial Café on the corner of Nahatan & Washington Streets in Norwood center. To the surprise of many, Board Chairman Rich Armando presented club appreciation awards to Steve Huntington (30+ years) , Fred Tierney (13 + years) and yours truly (28+ years) for outstanding leadership, commitment, energy and dedication to the Mass Cruisers. Following the meal, which also included the offer of doggie bags for those wanting to bring left overs home, we all sauntered across Nahatan Street to the Norwood Theater for an awesome 3 nonstop hours of John Cafferty & The Beaver Brown Band performing their 1980's era Rock & Roll hits. Thank you Fred for another memorable Anniversary celebration and our fellow majority of Board Members for sneaking that recognition past us Old-Timers.

Rich Armando presents Club Appreciation Awards to Steve Huntington (L), John Buchanan (C) & Fred Tierney (R)
