Board Musings

By Rich Armando

I want to thank all members who helped at the Seekonk Show. The weather was perfect and the turnout was huge. All of the 200 judging packets were handed out by around the 9:30 mark. Even after that, cars keep rolling in to be parked for display only and not being eligible for judging. As always in the past years things went smoothly with the parking and judging for which the Mass Cruisers were responsible for. This year's thank you night from Ed and the speedway will be held on Saturday night July 29th. Let's hope the weather for that night will be as nice as the day of the show was.

At this time we have had three cruise nights. The second one was a wash out with a very low turnout which was expected on a damp/rainy cold night. At the time that the decision was made to move forward with the cruise night the weather was not supposed to be as bad as we experienced. For our third night the weather was cool but sunny with a good turnout. The numbers were a little low by our standards because of the news report about experiencing heavy traffic on Route 1 leading up to the Taylor Swift concerts scheduled for Friday, Saturday and Sunday. Over all the parking lots were approximately $\frac{3}{4}$ filled. Our next cruise night will be this coming Thursday June 1st. Thank you to all the members who have showed up so far to work these cruise nights.

There are a few events scheduled where you can get out with your cars and cruise to a destination. I hope a lot of you take advantage and join in with your fellow members to gather at these places of interest. They will be listed further into this newsletter.

Some of our members have either had surgery or fallen sick. I hope Ann Hines, John Bloom, Diane Thornton, Bob Smith and Bruce Berry are doing better and are on the road to a complete recovery. If I have forgotten anyone please let, Diane or Jean know.

To keep this musings short and since this is Memorial Day weekend let's end with two thoughts. Memorial Day is the unofficial start of the summer so get out and enjoy your cars. Use them every chance you get as the winter months can be long. Also let's never forget our veterans, especially the ones who made the ultimate sacrifice. Without all of our veterans no matter what branch they served in, we would not be able to enjoy what we have today without them.

Editor's Musing

By John Buchanan EDITORIAL

It's rare that car clubs get to celebrate birthdays for a member reaching the century mark. Fortunately the Downshifters and Cuz's Car Clubs have been doing this every May since "Fast Eddie" Beaulieu turned 100 on May 18, 2016. This year Eddie's 107th birthday was celebrated with a cake at the White's Restaurant Tuesday May 23 cruise on U.S. Route 6 in Westport, MA. The cruise is hosted by the Bristol County Car Club with Downshifters Club President and D.J. "Johnny Angel" Remedis leading the Happy 107th Birthday celebration when Eddie's son Joey drove into the cruise at 6 PM with "Fast Eddie" riding shotgun. Like the Energizer Bunny, Eddie keeps going and going;

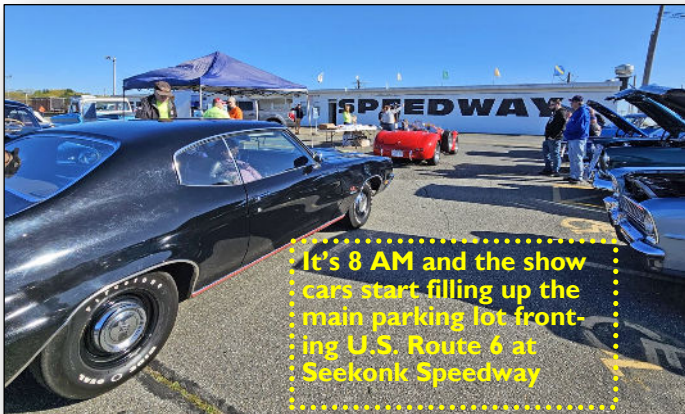

Seekonk Speedway 8th Annual Show & Go Car Show

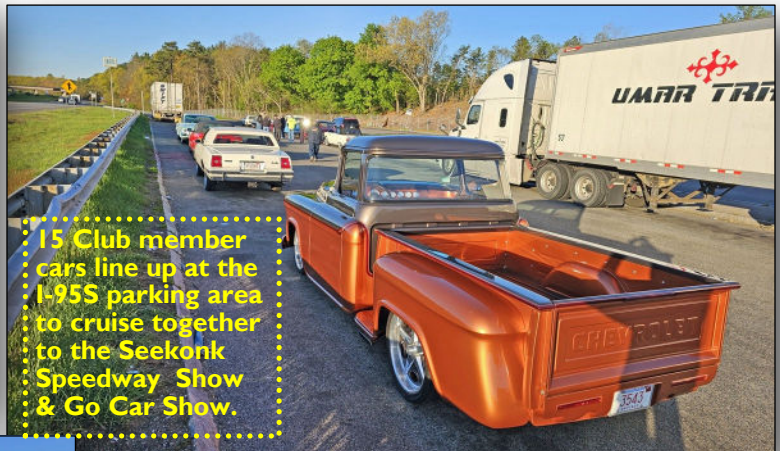

By John Buchanan

With perhaps the best weather we've experienced at the Annual Seekonk Speedway Show & Go Car Show, the planned 11 AM deadline for show car judging entry was cut-off by 9:30 AM and show cars that continued to arrive were directed to overflow parking areas. Of course this annual early season show has much more to offer car owners and enthusiasts alike. There is an auto swap meet held concurrently in the adjacent field used for the Speedway's popular weekly Sunday morning flea markets, and prior to the top 10 Best of Show awards being announced, everyone can watch the NASCAR cars on the track with their drivers going through their tune and test laps prior to the upcoming Sunday afternoon season opening races on the tracks semi-banked 1/3 mile asphalt-paved oval. This is followed by the ever popular spectator 100 foot drags. This show and spectator events are always a great event to kick off the weekend car season for the more than 20 Mass Cruisers that volunteer to help Seekonk Speedway with the show parking and judging.

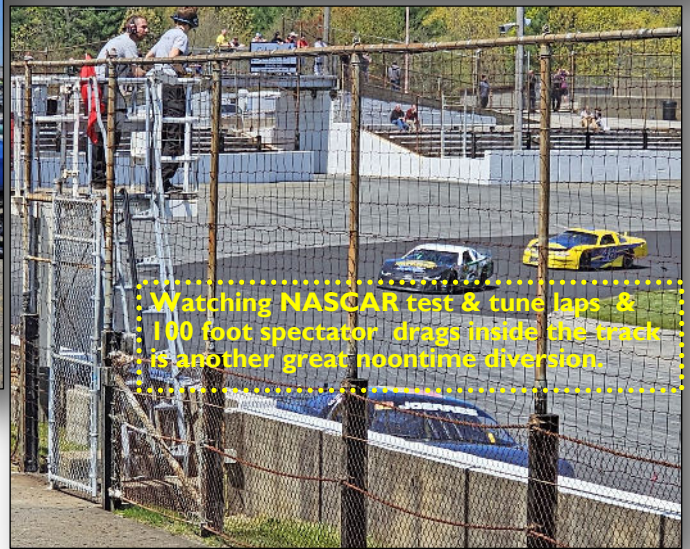

It's 8 AM and the show cars start filling up the main parking lot fronting U.S. Route 6 at Seekonk Speedway

15 Club member cars line up at the I-95S parking area to cruise together to the Seekonk Speedway Show & Go Car Show.

The swap meet next door to the Car Show is always a great morning diversion.

Watching NASCAR test & tune laps & 100 foot spectator drags inside the track is another great noontime diversion.

MAY 18 BASS PRO CRUISE NIGHT

By Rich Armando

Concerns that Tayler Swift merchandise fans and curiosity seekers on top of the normally heavy Thursday afternoon commuter traffic could create havoc with our May 18 Bass Pro Shops cruise were short lived, but there was some confusion within the car community about the sold out Taylor Swift three-day concerts at Gillette being in conflict with our cruise. But it turned out to be a great cruise with lots of new and different cars showing up to feast our eyes upon.

CRUISE WINNER: 1958 CHEVROLET YEOMAN

CONTINUED FROM Page 6

Bob Rotondo, owner of Bob's Auto Body in Ipswich, has built some cool hot rods over the years, including his own deuce high-boy roadster and '55 Chevy you can see pictured on his website along with this 1958 Chevrolet Yeoman station wagon [Bob's Auto Body - Home \(bobsautobodyma.com\)](http://bobsautobodyma.com). But, the 1958 Lemon Ice Pearl color Chevrolet Yeoman station wagon that he drove down from his Peabody home to our May 18 cruise was one he purchased, built as-is, about 10 years ago. All he's had to do over the years is redo the engine compartment and fix the mechanicals. The reason we rarely see Yeoman badged station wagons is it was a one year only entry level model for Chevrolet with less than 10% of their 1958 station wagon production built being the two-door Yeoman's like Bob's.

My 2023 Classic Road Trip

by John Griffin

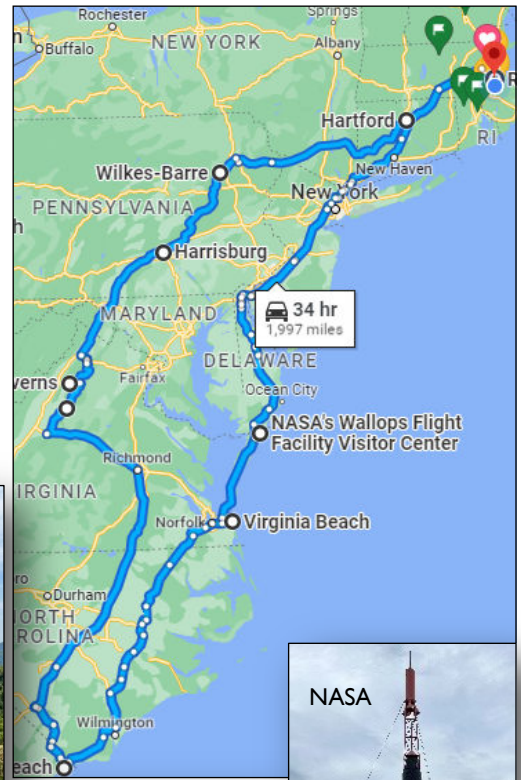

I own a 1964 Buick Skylark Convertible, "Gracie". Yes, the "My Cousin Vinny" car, but blue, not green. I wanted to take a long road trip with my wife in 'Gracie' but, until recently, it wasn't reliable enough to handle more than 'around town' driving. Happily, having gotten her to the point that I was confident we could make a long trip without issues, I suggested going across the country, but my wife suggested a more modest adventure first. We decided on South Carolina to visit friends who retired there 10 years ago. We decided to travel on the Skyline Drive and Blue Ridge parkway on the way south and return home along the coast (see the route map). The trip was 1,997 miles long and it took a week, stopping three

"GRACIE"
1964 BUICK SKYLARK

SKYLINE DRIVE VISTA

nights on the way down, two nights with our friends in South Carolina and two nights on the coastal return journey home.

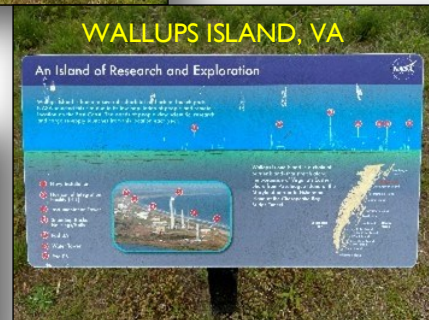

Skyline Drive and the Luray Caverns were wonderful, a top down drive that a day that was comfortably warm.

LURAY CAVERNS

AUTO MUSEUM

Luray cavern also has a museum attached with lots of pre-war vehicles.

NASA

just normal highways. I mainly the speed limit was 70 mph in from other drivers from time to

er did beep at me as he passed, then pulled in front of me and then slowed down quickly but that was it. I wished him a 'blessed day' and continued on our way... lol.

One the way back, we stopped at DRS Automotive (aka Phantom Works), Kitty Hawk NC and the NASA Wallops Island facility. All three are well worth visiting. We had planned on spending a Tuesday night in NJ before going through NYC, the traffic wasn't, and we decided to just push through until we got home. The trip was a huge success. We drove comfortably and experienced no mechanical issues at all. Being a good little paranoid, I did bring oil, coolant and transmission fluid but didn't need any of it. If you are considering a long trip in your classic, my advice is GO AHEAD. Although gas wasn't cheap, we averaged over 16 MPG. Well worth it!

BLUE RIDGE MABRY MILL

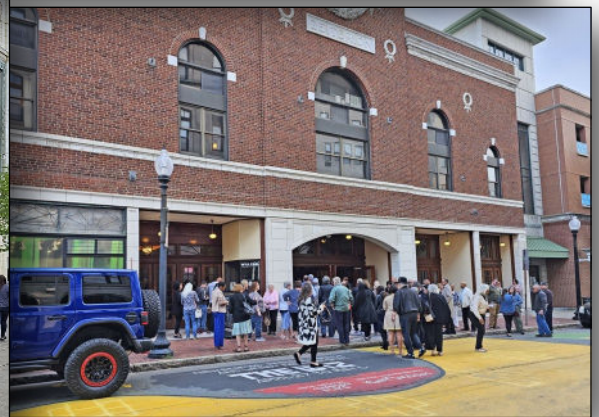

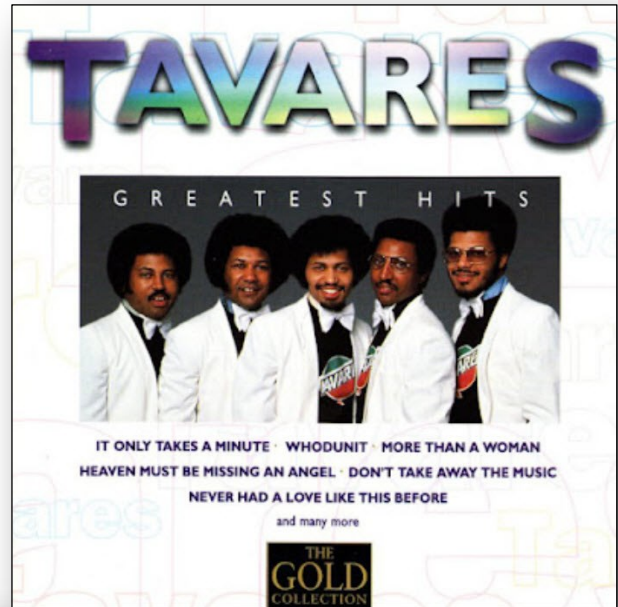

TAVARES Final Tribute Salute

by John Buchanan

Tavares, the renowned '70's disco—R & B singing group from New Bedford, played their final career performance on Sunday evening May 14 at the Zeiterion Theater. As a last minute homage to the famed New Bedford brothers, Bob Bramwell's Cuz's Car Club put out a call Sunday morning to fellow car owners to display their cars on Purchase Street next to Zeiterion Theater at 5 PM before their final performance. Of course, in addition to being a last minute call out and also being Mother's Day, the turnout was understandably smaller than similar Zeiterion callouts in the past, but I couldn't resist it. After all, their 1976 hits "Heaven Must Be Missing An Angel" & "Don't Take Away The Music" <https://www.youtube.com/watch?v=J123IM0RvzM> still gets those '70's disco juices flowing.
