## Board Musings

By Kevin Rushlow—Treasurer

As I write this there are only two more Bass Pro Shop cruise nights left in the 2025 cruise schedule, October 2<sup>nd</sup> (Halloween cruise) and October 16<sup>th</sup>. It seems like just yesterday we were gearing up for another great season, it all started back on April 17<sup>th</sup>. All in all, it has been a fantastic cruise season for the Mass Cruisers Auto Club. But do not fret we still have a very busy and active month of October ahead of us with plenty of opportunities to get out and enjoy our cars before it is time to put them to bed for the winter and wait for the 2026 season to start.

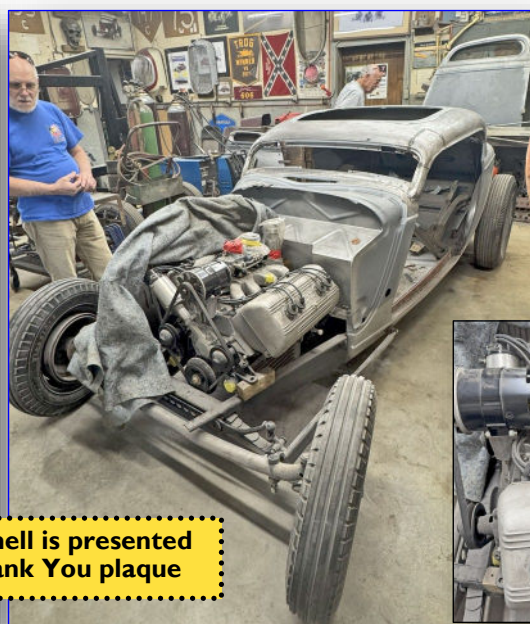

We have several other events and shows scheduled, We have partnered up with The Friends of Borderland for their 3<sup>rd</sup> annual car show which takes place on the 1,800 acre grounds of the Borderland State Park and the Ames Mansion in North Easton, MA on October 11th. The setting is ideal for a car show.

October 18<sup>th</sup> is the clubs 2<sup>nd</sup> annual BBQ which takes place on the adjacent grounds of club member Al Provost's SP Enterprises business located at 323 Depot Street in North Easton. This event serves as a "Thank You" for the club members that have worked at the cruise night (Bob Hines and Rich Armando have the details). There are also many other car shows, cruises and events planned through the month of October and into November, be sure to check the "car Shows & Events" page in the back of the newsletter; **red \*** noted events are popularly supported by club members so you can squeeze as much enjoyment with your car out of the season.

Looking back at September we had two successful and busy cruise nights on the 4<sup>th</sup> and 18<sup>th</sup>. On the 4<sup>th</sup> we set a record for the largest amount of money collected for the food pantry (\$4,307.00) at a single cruise. A special shout out to Dennis DiBiasio, Steve Fernald, Mark Magno and Bob Okerholm for a great job. As Rich mentioned in his September Musings many club members attend either or both The Adirondack Nationals show in Lake George, NY and the Old Orchard Beach show in Old Orchard Beach, ME. I attended the Adirondack Nationals show for the third time, and it never fails to be nothing short of a spectacular five-day weekend. There are 1,500 registered cars in the show and pre-registrations were sold out in 8 hours & 28 minutes this year when they are available to order online. One of the highlights for me was on Thursday when we took a cruise through the countryside to Rolling Bones Hot Rod Shop, this was the second time that we visited. It is very interesting and amazing to see the different projects that they are working on. The Club presented them with a Mass Cruisers Host Thank You plaque for their hospitality and for taking time to open up the shop for us to see the hot rods that they are building.

**Rolling Bones owner Keith Cornell is presented with a Mass Cruisers HOST Thank You plaque**

In closing, do your best to capitalize on the great fall weather and enjoy your rides because before you know it the 2025 cruise and car season will be just a memory.

## CREEPS Hot Rods on the Hill 10<sup>th</sup> Annual Car Show

by John Buchanan

This was the 10th Annual Hot Rods on the Hill Car Show that the CREEPS car club has hosted at Diamond Hill Park in Cumberland, R.I. and, despite the 1979 and older vehicle year limitation, its success continues to grow each year due to the variety of activities that keep everyone, including families with children, engaged throughout the day. Our club members stake an area along the tree line to set up the 10' x 10' tent fly thanks to Steve Huntington getting there early for the dozen or so member cars to be parked together. Members also bring a pot-luck array of snack items and sandwiches to share under the tent. Even if your car doesn't meet the show's year of manufacture restriction, you can park your daily driver in the spectator parking lot and walk in to join us and enjoy the show that attracts some of the most interesting creative rides that these rat-rod culture hot rodders display each year. So, if you held off attending this 10<sup>th</sup> Annual Show because your ride is post 1979, plan on putting it on your calendar for 2026.

Club members set up along the tree line each year to display & socialize

From Dragsters to creative Rat Rods & Customs, Hot Rods on the Hill has it all to see and enjoy.

## Old Orchard Beach Cruise Weekend Car Show

by John Buchanan

Another great event Mass Cruisers members have been enjoying since 2005 when we first filled up 24 rooms at the Edgewater Hotel in Old Orchard Beach is the two-day cruise and car show weekend that has become an annual tradition for many of us old timers; 20 years. Club members Lou & Linda Valentine, who have a summer home about a mile down the road from the Edgewater in Ocean Park, were responsible for suggesting the club do this weekend event and who set up our initial itinerary which has changed very little over the years. Lou was also one of the founding show event Lions Club members responsible for kick starting this annual cruise and car show weekend that is now in its 31<sup>st</sup> year. Steve Huntington has taken on the responsibility for organizing this cruise weekend for us every year and publishes an itinerary members can choose to follow. We had a perfect weather weekend and the show enjoyed 400 pre-registrations. After members met at the Lexington Rest Area Plaza on I-95/Rte. 128 Friday morning, Steve Huntington led the cruise to Old Orchard Beach with the usual obligatory pit stop at the N.H. . After picking up the show registration packages at the R.R. Station office and checking in at our Edgewater hotel HQ, it's a short walk to the Brunswick for lunch followed by looking over the hundreds of registered show cars parked up and down Old Orchard Street. After the cruise club members assemble at the Edgewater upper deck for a pizza party, Saturday morning is the car show held at the Memorial Park where the club's tent is pitched while members park their cars in peer judged classes. One of our newest club members Laurie Kraynick's 1970 Cadillac took home a 2<sup>nd</sup> place trophy and Larry Nyborn's 1965 GTO garnered a 3<sup>rd</sup> place. Dinner at the ocean front Joseph's Restaurant brought Saturday's show day to a close.

Sunday morning starts off with a slow cruise back home on U.S. Route 1 with stops at Motorland Auto Museum and the Arundle Antique Flea Market. Then it's off to Big Daddy's Ice Cream in Wells and, for some, When Pig's Fly Pizzeria in Kittery before making the final run home following another great cruise weekend.

**Larry Nyborn picked up a 3rd Place trophy for his 1965 GTO and first time OOB attendee & newest club member Laurie Kraynick won a 2nd Place trophy with her 1970 Cadillac Fleetwood.**

**Saturday night following the car show, it's sit down dinner time at the ocean front Joseph's Restaurant next door to our Edgewater Hotel**

**The beachfront Brunswick bar & grill is always a Friday lunch time treat following our cruise from home to Old Orchard Beach Maine**

**Friday night is pizza party time at the Edgewater upper deck.**

**SEPTEMBER 4 CRUISE WINNER 1955 Custom Chevrolet 210**

By John Buchanan

When Mike Camara, owner of the September 4 Vintage Motorsports cruise winning 1955 custom Chevrolet 2 door post 210, was building his family disposal and recycling business in the New Bedford area during the start of the muscle car era, he had no time to pursue his love for American muscle cars, although he did own a 1969 Mustang in High School that would end up being totaled. However, having sold the business in 2022 and now enjoying retirement, he's slowly been feeding that passion by collecting and building some of those iconic muscle cars that GM, Ford and Chrysler had offered back in the day. A few, like this 1955 Chevy, pre-date the 1960's but his passion to own a perfect 1955 Chevy Nomad wagon had led him to buy this nicely customized 210 2-door post Chevy in 2023 as most available Nomads he'd come across were not very nice. This '55 is powered by a GM ZZ502 V8 with a Tremec 5-speed tranny and 3.91:1 Ford 9" Rear. The front independent suspension is riding on 245/45Z917 tires and the rear 4-link suspension sporting 335/30ZR18 tires are riding on Billet Specialties wheels with Wilwood Disc brakes all around. The outstanding bronze and platinum metallic paint is complimented by matching leather upholstered cabin. And, if this Chevy is a winner, I learned Mike recently found that missing perfect 1955 Chevy Nomad and added it to his growing collection of 29 cars. I can't wait to see that beauty.

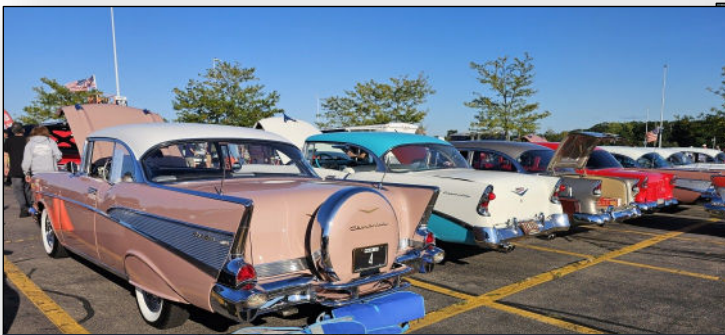

## SEPTEMBER 4 CRUISE, A GREAT START FOR FALL CRUIZN

CONTINUED FROM Page 6

As happens every year when our first cruise in September comes around, many of our club members make the Adirondack Nationals at Lake George a four-day cruise weekend event by leaving on Wednesday before our early September cruise which can leave our home-bound club members short handed. But as always, everyone stepped up to make it another successful cruise to remember.

The Foxboro Food Pantry was on hand to help our front entrance team collect your donations which totaled over \$4,000, 100% of which will be shared equally among the 5 local food pantries that participate. The reason monetary donations, rather than non-perishable food donations are encouraged and everyone has responded amazingly well and it reduces the amount of time spent checking for out-of-date food, and damaged packaging which we have to dispose of and, more importantly, each of the pantries are able to purchase \$20 equivalent of needed perishable and non-perishable food from the Boston Food Pantry for every \$1 donated.

With perfect weather for cruising, the featured Tri-Five Chevys and Pontiac Oakland Clubs brought some awesome looking rides to display in the reserved parking area near the club trailer with one of the Chevy's being selected to take home the Vintage Motorsports Cruiser Award.

Both the Pontiac Oakland Club and Tri-Five Chevy owners brought some beautiful examples of their popular marques to the Sept. 4 Bass Pro Shops Cruise.

The best part for me is the pleasurable drive from home into the generously provided Patriot Place Lots every other Thursday for the enjoyment of our fellow auto enthusiasts. What a great hobby!

## SEPTEMBER 18 CRUISE WINNER 1932 FORD 5W COUPE

by John Buchanan

Our September 18 Vintage Motorsports cruise winner's story begins 40 years ago when Frank Bianco and his High School buddies would spend their Saturday mornings helping him build a 1929 Ford hot rod which he drove 10 years before selling it after getting married and starting a family. Fast forward to 2025 when Frank's beloved companion Vizsla hunting dog of 13 years, LOLA, died leaving Frank without his riding companion. Having the means now to buy his dream ride, a deuce coupe, rather than build one, and with his wife Sadie's approval, his search resulted in finding exactly what he wanted to honor LOLA when going cruising at the Motor City muscle car dealer Vanguard Motor Sales. Frank's 1932 Ford 5W Coupe in Viper Blue & Wimbledon White is powered by a small block chevy 350 w. TH 350 tranny & Ford 9 in, 3.00:1 Tru Trac rear end riding on a So Cal Chassis w. Heidt's IFS front suspension with ladderback rear w. coil-overs & big P225/75/R15's in the rear & little 165R 15's up front to give it a proper street rod stance. The custom RodDoors complimentary Crème & Blue leather interior carries the traditional era rolled & pleated theme inside the cabin and trunk. Inside the cabin Auto Meter Classic gages are set in the machine turned dash & Vintage Air A/C controls along with Flaming River tilt steering column with floor shifter and that blue flaked steering wheel make this a comfortable road touring rider. Congratulations Frank.

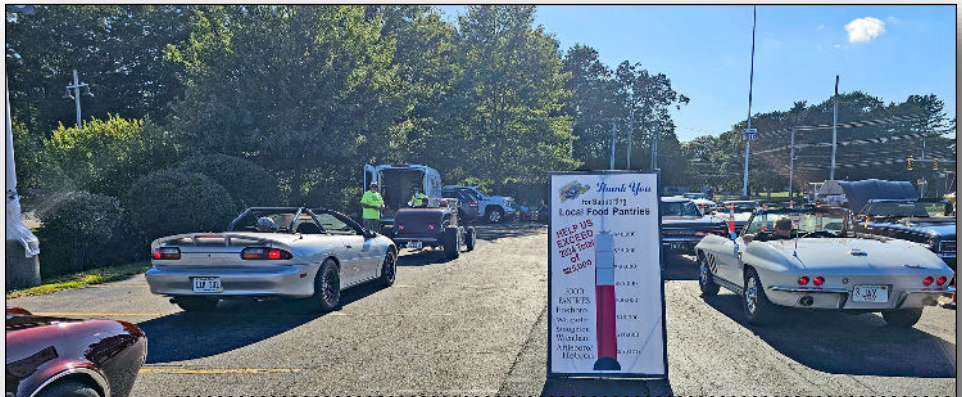

LOLA was Frank's Companion Visla for 13 years

The early morning rain didn't hamper our September 18 Bass Pro Shops Cruise with just under 900 cruise cars making it through our Patriot Place cruise front entrance team collecting donations for the Hebron Food Pantry in Attleboro. The sun came out strong in the early afternoon and temperatures rose into the 70's making it perfect for those lucky top-down CRUIZN enthusiasts. We also had the Bay State Antique Auto Club, Shelby Mustang and New England Chevelle El-Camino owners collectively parked together in a reserved area to give everyone attending the cruise an opportunity to see and talk with the owners of these great vehicles and also learn a bit more about their activities and possibly consider joining their clubs. The Easton Oliver Ames High School Iron Tigers 4176 Robotics Team students were on hand displaying their newest design robot that will be competing in the annual (FRC) *FIRST* Robotics Competition. We continue to collect your donated used automotive tools for the TOOLS 4 KIDS Program and answering our previous call for metric tools we received a complete set of Craftsman 1/2 inch drive metric sockets. And, as always, the 50-50 drawing proceeds benefit the workplace grants that will be awarded to graduating seniors at the three area Technical Vocational Schools; Blue Hills Regional, Southeast Vocational and Norfolk County Aggie.

**The Attleboro Hebron Food Pantry was featured on the 18<sup>th</sup>**

**Easton Oliver Ames High School's "IRON TIGERS ROBOTICS" team members were on hand displaying their new 2025-26 season FRC competition robot.**

**You can bet it's perfect CRUIZN weather when D.J. Cruisin Bruce Palmer uses his gorgeous top-down Ford Torino to haul those big amp speakers of his to our Bass Pro Shops cruises in the back seat. One Facebook follower reported seeing it and it was a sight to behold tooling down the highway.**

## 2025 Adirondack Nationals at Lake George

by Rich Armando

The 2025 Adirondack Nationals appeared to be bigger than the past years. I would say there were upwards of 1,500 cars total for both show fields with most likely another several hundred non registered cars driving up and down the streets throughout the week. We can attest that there were more flea market vendors at the show this year as our usual parking spaces in one corner of the lower field, where we have set up shop for the past several years was filled with a flea market vendor. The "ring" around the perimeter of this field which was mostly left empty or used for car parking also had vendors in these areas. The weather for the most part cooperated as the only rain we experienced was Saturday morning starting around 9 am and ending by 3:30 in the afternoon which gave it time for the roads to dry out and not have to cancel the Saturday night parade which, as always, is a blast to watch. As tradition has it, the Adirondack Nationals came to an end at 10 pm with a fabulous fireworks display over the lake which we can watch from the lakeside hotel property where our club members stay.

**Richie Armando's Kevin Rushlow & John Sturniolo at show.**

**John Sturniolo's Duster was caught on camera**

Lake George - September 2025

Shane Newkirk Images

**What makes the Adirondack Nationals at Lake George unique and so popular is not the car show but the daytime cruising up and down Canada Street morning, afternoon and especially at night when the street from 5-8 PM on Friday and Saturday is closed to all traffic except to the 1,500 registered show cars displaying their show entry stickers.**

**Rick Finamore's Comet Gasser was caught on night video**
